About us

Welcome to The Zapple, where every bite is a journey into the world of health, taste, and innovation! We are proud pioneers in crafting Exotic Apple Chips—a guilt-free snack that brings together the goodness of real apples and bold, imaginative flavors.

Born out of a passion for healthy snacking, Zapple transforms handpicked apples into perfectly crisp chips using a gentle dehydration process—no frying, no artificial preservatives—just pure, crunchy delight. Whether you're craving the zest of Magic Masala, the coolness of Mint Masala, the warmth of Cinnamon, or the surprise of Coconut, we've created a flavor for every mood.

With a variety that includes BBQ Masala, Pudina, Classic Exotic, and more, Zapple stands for variety without compromise. Every can is packed with nutritious energy, rich fiber, and unforgettable taste—perfect for conscious snacking, school lunchboxes, travel munchies, or fitness breaks.

At Zapple, we believe healthy should never be boring. Join us in changing the way the world snacks—one exotic apple chip at a time.
